

For Immediate Release

[QuantumMark, LLC](#) Australia Wrap Up: Looking Back On a Wonderful and Productive Trip

Reno, NV (August 30th, 2016) – QuantumMark was given a great opportunity to travel with Governor Sandoval, some of his staff, and other Trade Mission attendees to the beautiful continent of Australia. During the two week trip, QuantumMark visited the cities of Melbourne in Victoria, Sydney in New South Wales, and Brisbane in Queensland. While there, the trade delegates attended a number of briefings, meetings, receptions and events to discuss opportunities for collaboration between Nevada and Australia. As a bonus, delegates enjoyed a bit of personal time to explore some of the famous Australian landmarks.

For QuantumMark, the most notable experiences in **Melbourne, Victoria** included:

- Meeting with the Medicinal Cannabis Taskforce in Victoria
- Attending the American Chamber of Commerce Luncheon on “Australia’s Economic Future: Impacts of Asia, US and Europe”
- The Melbourne Museum (*right*)

Our time in **Sydney, New South Wales** provided us with opportunities for:

- Collaborating with fellow members of the Institute of Management Consultants, Sydney Chapter
- Joining Governor Sandoval and other delegates at the American Chamber of Commerce Breakfast
- Enjoying a lovely reception at Consul General Hugo Llorens’ home (*right*)

Our final stop in **Brisbane, Queensland** was packed with:

- Multiple meetings with various Public Health Officials in Queensland
- A trip with others from the delegation to Lone Pine Koala Sanctuary
- The closing reception and dinner where Governor Sandoval was surprised with a special cake to celebrate his birthday (*right*)

QuantumMark found the business community in Australia to be warm and welcoming. We are confident that the relationships established there are ones that will prove mutually beneficial well into the future. Events shared with the Nevada trade delegation also provided great opportunities for QuantumMark to connect with fellow Nevadans. We would like to extend our appreciation to Governor Sandoval and the Governor's Office of Economic Development for making the trip a huge success.

About QuantumMark, LLC

[QuantumMark, LLC](#), a women-owned small business, is led by two highly disciplined and focused leaders with more than 30 years of experience in providing project management and project quality assurance expertise to private sector and large-scale public sector projects.
