

## FOR IMMEDIATE RELEASE

### **QuantumMark LLC is Traveling to Australia!**

**RENO, Nev. (July 11, 2016)** – QuantumMark will be visiting the cities of Melbourne, Sydney, and Brisbane as part Governor Sandoval’s International Trade Mission to Australia. Kim West, Director of Business Development, will be making the trip in hopes of building stronger relationships with State government and Nevada companies, as well as seeking opportunities to build working relationships with public and private sector organizations in Australia.

The trade delegation’s events start in Melbourne on July 27<sup>th</sup> with stops in Sydney and Brisbane. The delegation will return to Nevada on August 6<sup>th</sup>. Throughout the trip there will be networking events, business-to-business meetings, and presentations as well as free-time to discover the beautiful continent of Australia. QuantumMark will be sharing the journey with seven other trade and tourism delegates along with Governor Sandoval, State staff, the Governor’s Office of Economic Development (GOED) and delegates from higher education, mining, water and the Las Vegas economic development authority.

We invite you to follow us on our social media and networking sites as we share this notable experience.

### **About Nevada Trade Missions**

Nevada Trade Missions have been funded through the [STEP Grant](#) and are designed to introduce Nevada companies to international distributors and buyers in foreign countries who are looking to form business relationships and purchasing opportunities. Trade missions like the one to Australia have already been successful in countries like Ireland, Britain, Poland, Mexico and Israel. To find more about these trade missions follow the link below.
